

Laugh and Learn Pre-School Tarring - Newsletter - Issue 41- December 2024

We hope you all enjoyed our Christmas Concerts, and we know the children loved our visit from Santa! The children all appeared to have a thoroughly good time throughout our Christmas festivities and all emersed themselves into the Christmas spirit. We hope you have all enjoyed sharing your children's Christmas art when it came home this week, along with a small present from the Laugh and Learn Ladies and from Santa himself who paid us a visit right here at preschool!

All of us at Laugh and Learn would like to say a huge thank you for all of you kind and generous cards and gifts and wish you all a Merry Christmas with your families this year.

Some Dates to Remember

Monday 6th January:

-Return to preschool

Friday 14th February:

-Last day of the Spring half term

Monday 24th February:

-Return to preschool

Applying for a school place for September 2025

If your child is due to start school in September 2025 you need to be applying for a school place. The deadline for applications is Wednesday 15th January 2025.

Parents evenings

Our parent's evening on the 11th of November was a great success, it was lovely to be able to invite you into the setting to enable you to have a chat with your child's keyperson to celebrate their achievements and discuss their overall development. We really do love seeing you all so thank you so much for coming.

Tarring Manor Care Home

We had a lovely morning visiting Tarring Manor Care Home to meet to the residents there as we did last term, where we shared games, coloured picture's and chatted about our favourite things to do. We are looking forward to continuing with these visits throughout the coming half term.

Winter virus's

As I am sure you have all noticed the usual Winter viruses over the past half term have started to appear. Children who are unwell and have a temperature should not attend preschool and can only return to preschool once they have been free from a temperature for 24 hours and they are well enough to do so. If your child requires calpol then we would consider that they are not well enough to attend. Children who have mild symptoms such as a runny nose and are otherwise well should however continue to attend preschool as normal.

Please ensure that your children are dressed appropriately and warmly and always have a coat and wellies with them as we will do still go outside as much as possible over the winter months.

Flu Vaccine

We wanted to raise awareness that the Nasal Flu Vaccine/nasal spray is available on the NHS for all children aged 2 and 3 years old. We would encourage those who have not yet had it to phone their GP surgery to discuss their options.

Availability of sessions

With spaces filling up very quickly please do let us know as soon as you are able to if you think you will be needing additional sessions going forward, or if you are intending to apply for siblings soon as we want to be able to accommodate our current families as much as possible. We would also be very grateful if you were to recommend us to all your families and friends.

Laugh and Learn book Library.

Don't forget to borrow a book from our Laugh and Learn Book Library! Where children can help themselves to a book to read at home with their families which they can then return to swap for another! Happy Reading! 📖

Tree House

Laugh and Learn Christmas Funday

Come and join us for some festive fun on Saturday 21st December between 11 and 3 here at preschool to help us raise funds for Chestnut Tree House. As you can see its going to be a festive extravaganza with lots of Christmas activities and games as well as a visit from Elsa and the man in red, Santa too! Thank you for all your donated items for our tombola and raffle which will help us to raise much needed funds for this very worthy cause.

'Movers and Shakers' group

We continue to take part in a fun weekly mindfulness and yoga sessions with Chloe as well as a weekly fitness and dance class with Jess. The children get so much out of these sessions, supporting their own self-regulation, listening, and following instructions, interpreting stories and dance as well as moving to music and a range of physical activities. All whilst having a huge amount of fun!

Uniform polo shirts and sweatshirts

Our Laugh and Learn uniform is certainly not compulsory but it is just perfect for pre-school. If you are interested in purchasing some, please come and speak to us. Polo shirts are £12.50 each and sweatshirts £13.50 each, and we do hold some stock at Pre-school.

Do you think you may be entitled to the Early Years funded entitlement?

If you are a working parent and you believe your 2 year old may be entitled to the 15 hours of funding or a 3 year old who may be entitled to the 30 hours of funding, please remember that you can only use the funding in the term after they turn 2 or 3 years of age, and you will need to apply for it in the term BEFORE you wish to use it. You will also need to reconfirm you are still entitled to the funding every three months. Please look on the government website "Childcare Choices" to see the eligibility criteria and to apply. <https://www.childcarechoices.gov.uk/>

Parking

As we often state in our newsletters, we are all aware that parking can be very difficult at drop off and pick up time. It is very important that we remain on good terms with our neighbours, and we would ask you to park considerately, and ensure that a clear access is always maintained for vehicles passing through. Please also do not park across the end of our driveway as this is shared and access is always required by our neighbour. Please can we also please ask that any litter dropped in the driveway is taken away. Thank you once again for your cooperation.

Neighbours

We have had a reported incident from one of our neighbours of a child urinating behind their car on our shared driveway. Can we please ask that you do not allow your children to do this, come back and use the toilets here at Preschool. Thankyou.

Naming clothes/coats

Can we please remind you to supply named spare clothes for your child every time they attend and if your child needs to borrow some of our very limited supply of spares as we have already used the spares supplied by yourselves can we please ask that you do return them. If your child comes in in the morning in a waterproof all in one can, we please also ask that you supply them with a coat to wear throughout the day.

Please also ensure you name everything the children bring in with them, their coats, bags, spare clothes, water bottles and lunch boxes as it can be tricky working out whose is whose when some of them have the same one.

Lunches

If you have a child staying for lunch, please make sure that they have a "healthy packed lunch". A sandwich, a piece of fruit, a yogurt, a biscuit, and a drink are plenty and **NO SWEETS** please. Please do not put too much in as they do not have much time to eat. We are a strict **NO NUTS** setting (including chocolate spread and Peanut Butter) **due to allergies**. In addition, **please ensure that if they need a spoon to eat a yogurt you supply a spoon**, all grapes are sliced in half longways, they have water or squash to drink, and can you also **make sure there is an ice pack in their lunch boxes** as we have no facilities on the premises to keep the lunches chilled. Thankyou.

Water Bottles

To enable us to provide the children with access to water, we would be grateful if you were able to bring in a **named** water bottle each time they attend. The bottles should be filled with water, which we will refill when necessary. No squash please. These bottles should be placed in the boxes provided and we will ensure that the children are reminded to drink throughout the session with the support of an adult.

Unfortunately, we are unable to give out sweets on birthdays due to the high number this can be and us as a setting trying to promote healthy eating.

Polite reminder about dogs on the premises

We would politely remind you that, although we love dogs, they are not allowed on the premises or in the playground at any time. In addition, they must not be tied up at the gate as this causes distress to some of our more sensitive children who are forced to walk past them when entering or leaving. We thank you for your understanding and co-operation.

Social Media

Please like and share our Facebook and Instagram posts. We update our pages each week with photos of the activities your children have been involved in to encourage you to feel connected to your child's experiences and to encourage conversation at home about your child's day. We hope the posts will help you support your child's learning at home, and you can check out the pages for information on up-and-coming events or emergency closures in severe weather and so on.

(Closed Half Term Mon 25th May- Fri 29th May)
2nd Half Mon 1st June-Fri 17th July (7)

Please note that the above dates may be subject to change at short notice

Privacy Notice for parents accessing Early Years and Childcare provision

General Data Protection Regulation (GDPR) 2018

The **Local Authority (LA)** processes information on children in order to help administer education and family services and in doing so must comply with GDPR 2018. This means, among other things, that the data held about children, must only be used for specific purposes allowed by law.

The **Early Years and Childcare Setting** holds information on children and their families in order to support their development; monitor their progress; apply for funding; provide appropriate pastoral care and self-evaluate their provision for the purposes of **Ofsted** inspections.

From time to time Early Years and Childcare Settings are required to pass on some of this data to LAs, the **Department for Education (DfE)** and to agencies that are prescribed by law and Ofsted. In particular, at age five an assessment (known as Early Years Foundation Stage Profile) is made of all children and this information is passed to the LA and receiving schools to help meet the child's needs. Any such organisation will have their own Privacy Notice.

The LA and **Commissioned Partners** (for example NHS Healthy Child Programme) use information about children and families for whom they provide services where there is a legal reason to do so. This may also be used for the wider purpose of planning/accessing services for children and families.

For example, the LA and Commissioned Partners use your information to:

- claim Free Entitlement (FE) for 2, 3 and 4 year olds
- identify children's needs through Integrated Health Checks
- identify children and family's needs through Children's Learning and Well-Being Audits • safeguard children
- provide inclusion support
- inform SEND Under 5s support planning
- support effective transitions
- ensure public funds are administered and spent in line with any Statutory Guidance or

Code of Practice

They also use the information to produce statistics which inform various decisions but without identifying individual children.

Types of personal data held may include: • child's unique pupil number

- contact details
- parent/carer details

- National Insurance/National Asylum Seeker Service number • date of birth
- attendance information
- ethnicity

- personal characteristics relating to family health and environment
- special educational needs/disabilities including developmental progress

Personal data will not be retained by the LA or Commissioned Partners for longer than necessary. For example:

- financial purposes, up to seven years
- children/young people with SEND until they are aged 25

You have the right to:

- be informed of data processing (which is covered by this Privacy Notice)
- access information (also known as a Subject Access Request)
- have inaccuracies corrected
- request to have your information erased
- request restricted processing
- data portability (for example, allowing you to move, copy or transfer personal data

from one IT environment to another in a safe and secure way)

- intervention in respect of automated decision making (for example, claiming 2 year old FE funding)
- withdraw consent (where personal data is purely processed on the basis of consent)
- complain to the Information Commissioner's Office (see below)

Ofsted do not routinely process any information about individual children. Ofsted holds no records of individual children's progress. However, it does use information about the achievement of groups of children to help inform its judgements about the quality of education in Early Years Providers.

The DfE uses information about children and pupils for research and statistical purposes; to allocate funds; to inform, influence and improve education policy and to monitor the performance of the education and children's services as a whole.

Who to write to about the data held

Children, as data subjects, have certain rights under the GDPR 2018, including a general right of access to personal data held on them, with parents exercising this right on their behalf if they are too young to do so themselves. If you wish to access the personal data held about your child/family, by WSCC, please contact:

- dataprotection@westsussex.gov.uk
- Data Protection Officer, West Sussex County Council, County Hall, West Street,

Chichester, West Sussex, PO19 1RQ.

If you are unhappy with the way your request has been handled by WSCC, you may wish to ask for a review of our decision by contacting our Data Protection Officer as above.

Complaints to Information Commissioner's Office (ICO)

If you are not content with the outcome of the WSCC review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted internal review procedures.

- The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
